

Working with Tone Words

Directions: Each of the columns below contains ten related words, nine of which are synonyms for the **boldfaced** word at the top of the column. Work with your group to place these words on the continuums below, ordering the words from lowest to highest degree:

1. angry	2. sad	3. happy	4. worried
annoyed	gloomy	contented	concerned
irritated	blue	pleased	anxious
cross	distressed	elated	apprehensive
livid	down	joyful	troubled
irate	heartbroken	blissful	bothered
miffed	miserable	ecstatic	vexed
enraged	morose	delighted	upset
peevied	depressed	merry	nervous
infuriated	cheerless	cheerful	uneasy
